STYRON:

Styron Ltd. founded in January 1990. From our initial family business of a few people, our company has now more than 100 people, and has grown to become a market-leading drainage fitting manufacturer recognized at European level. The initial family business began to grow into a 100% self-sustaining firm over the years. Styron Kft. has become one of the dominant medium-sized companies in the region, where progress is now more significant than ever. Contact our sales colleagues at the above contacts!
